Feedback form — Programming assignment

Please check as appropriate:

I installed / used the Fork compiler and PRAM simulator ☐ Yes ☐ No, because ________________

I already solved the programming exercise ☐ Yes ☐ No ☐ partially

I found the assignment ☐ too easy ☐ too difficult ☐ just the right degree of difficulty

I looked at some of the example programs before I started: ☐ Yes ☐ No

I used the course book *Practical PRAM Programming* as a guide to programming in Fork: ☐ Yes ☐ No

I found the trace file visualizer (trv) useful

(a) to identify performance bottlenecks ☐ Yes ☐ No

(b) to understand the structure of the parallel computation ☐ Yes ☐ No

(c) to debug my program ☐ Yes ☐ No

(d) to ________________

I learned something by doing the programming assignment

(a) about the theoretical concepts of parallel programming ☐ Yes ☐ No

(b) about implementation problems ☐ Yes ☐ No

I think the programming assignment is a useful complement of the other parts of the course

☐ Yes ☐ No, because ________________

I recommend the following technical improvements:

☐ ________________

☐ ________________

I recommend the following improvements in the documentation:

☐ ________________

☐ ________________
