Final Projects

Project Proposal Template

Overview

This document is a template for creating a short Final Project Proposal for PRAM. It should combine a brief *design* description (*what* is being proposed) and a *specification* description (*how* the project-members expect to realize this “what”). The final proposal should not be longer than two pages; it can be written in either English or Swedish.

PROJECT PROPOSAL: [PROJECT TITLE]
[Team-member NAME] [Team-member EMAIL]
[Team-member NAME] [Team-member EMAIL]
[DATE]

1. Project Description.
[Insert description here]
2. Program Outline.
[Insert description here]
3. ADTs.
[Insert description here]
4. Implementation of the ADTs.
[Insert description here]
