Third Swedish Language Technology Conference (SLTC-2010)

Linköping, October (27-)28-29, 2010

CALL FOR PAPERS AND WORKSHOP PROPOSALS

The Third Swedish Language Technology Conference (SLTC-2010) will be held at Linköping University, October 28-29, 2010. The program committee invites contributions to the conference of the following kinds:

1. Papers (Deadline: August 30, 2010)
2. Workshops (Deadline: June 4, 2010)

Note: The conference is coordinated and co-located with a Nordic seminar on language technology and accessibility organised by the Language Council of Sweden on the 27-28th of October. For information on the Nordic seminar, see www.sprakradet.se/astinseminarium-2010.

Papers

CONTENT: Papers are invited on all aspects of language technology, including natural language processing, speech technology and relevant neighboring areas. Papers can describe completed or ongoing research, as well as practical applications of language technology, and may be combined with system demonstrations.

FORMAT: Papers will be presented at the conference either as posters or as oral presentations and will be published only as abstracts.

SUBMISSION: Papers should be submitted as 2-page abstracts using the style files available on the conference website (www.ida.liu.se/conferences/sltc2010/). Abstracts should include the title of the paper and a full list of authors and their affiliations. Submissions are made by uploading your abstract as a pdf-file through the EasyChair system at the URL http://www.easychair.org/conferences/?conf=sltc10
and indicating your preferred mode of presentation as oral, poster, or poster with demo.

DEADLINE: August 30, 2010.

REVIEW: Papers will be reviewed by the program committee. Authors will be notified by September 10, 2010.

Workshops

CONTENT: Workshops are invited on any theme relevant to language technology, including applications, best practice, theoretical foundations and its relation to neighboring disciplines.

FORMAT: Workshops will be devoted up to two hours of the conference program, possibly in parallel with other activities. The exact format is decided by the workshop organizers.

SUBMISSION: Workshop proposals should be submitted by e-mail to sltc2010@liu.se. The e-mail message should contain the following information:

1. Name of the workshop
2. Full list of organizers
3. Short description of the workshop theme and intended audience
4. Short description of the workshop organization
- Will there be a call for papers or only invited presentations?
- Will there be regular talks, posters, panels, discussions, or what?
- Will there be published proceedings?
5. Anticipated duration of the workshop (normally 2 hours)

DEADLINE: June 4, 2010.

REVIEW: Workshop proposals will be reviewed by the program committee. Proposers will be notified by June 14, 2010.
