ELECTRONIC NEWSLETTER ON
REASONING ABOUT ACTIONS AND CHANGE

Issue 99020 Editor: Erik Sandewall 30.7.1999

Today

The following contributions have arrived in latex markup, and are made available in postscript:

1. Joe Halpern has contributed to the discussion about modal logic that was initiated by John McCarthy's note "Modality, si! Modal logic, no!" and Heinrich Wansing's answer "Modality, of course. Modal logic, si!"

   Joe Halpern's contribution can be accessed at

   `http://www.ida.liu.se/ext/etai/rac/notes/1999/03/a4.ps`
   `http://www.ida.liu.se/ext/etai/rac/notes/1999/03/letter.ps`

   for a4 and letter paper size, respectively.

2. Camilla Schwind has answered to Fangzhen Lin's questions re her ETAI contributed article "Causality in Action Theories". Her answer can be accessed at

   `http://www.ida.liu.se/ext/etai/received/actions/018/cs1.ps`

3. Michael Thielscher has contributed a summary for his article "Fluent Calculus Planning with Continuous Change" that he submitted to the ETAI on July 21. The summary is available from the article's review page, either by clicking from the general ETAI website, or directly at

   `http://www.ida.liu.se/ext/etai/ra/rac/020/`

This newsletter is issued whenever there is new news, and is sent by automatic E-mail and without charge to a list of subscribers, in plaintext format. The present postscript issue is a bona fide rendering of the same information in alternative typography. Instruction for contributors and other additional information is found at the following URL:
