

Vinjett 1, Period 2

Att vara och att ha

```
class Dog extends Animal{
    ...
    String saySomething(){
        return "Woof";
    }
    ...
}

class Cat extends Animal{
    ...
    String saySomething(){
        return "Meow";
    }
    ...
}
```

```
class Farmer
{
    ...
    String helloEveryone(){
        String result;
        for(int i=1; i<farm.getNumberOfAnimals(); i++){
            result += "hello ";
            result += farm.getIthAnimal(i).getName() + ", ";
            result += farm.getIthAnimal(i).saySomething() + "! ";
        }
        return result;
    }
    ...
}
```
