Report Number	4
Format:	As a research article.
Deadline	• Draft 02 May 2022 On LISAM • Final version 16 May 2022 on LISAM
Individual report	Check Lecture 1 for further details on report's requirements/expectations

This is individual report, required to be submitted by everyone aiming for grade 4 or 5 in TDDE46 on LISAM under submission "Report 4".

Grading criteria see introduction slides on:
https://www.ida.liu.se/~TDDE46/theory/CourseIntroduction.pdf

You can write a report/essay on any of the following topics:

• Deepened follow up from seminars
• Deepened follow up from 1-2 tool experiments
• Deepened follow up from the coaching project
• Independent essay within the scope of the course
• You can also select a different topic, as mentioned below, to reflect your experiences through coaching, investigations, project's meetings or lectures and then making comparison with what the current literature presents.
    o Inspections vs testing.
    o Why experiments are practically hard?
    o How different roles in Agile affect product quality?
    o Dos and Don'ts in Mobile Application Development Projects
