

Final seminar – Real-time and dependable Ethernet – HT2021

Key dates:

- December 4, 2021: Topic selection due (email topic description to Soheil)
- January 21, 2022: Submit written status of your work (email to Soheil). A list of completed and remaining work is sufficient (no report is needed).
- January 30, 2022: Term paper due (email pdf file to Soheil).
- January 31, 2022: All term papers will be made available to all course participants for reading before seminars.
- February 4, 2022 (15:15-17:00): Final seminar, session 1
- February 7, 2022 (14:45-17:00): Final seminar, session 2

Each term paper will be allocated 20 minutes (15 minutes presentation followed by 5 minutes of questions from the audience). Read all term papers that will be presented before the respective presentation session. Be prepared to ask questions. If you have a schedule conflict, contact Soheil as soon as possible to make alternate arrangements.
